Fairchild C-82 Packet Simon D. Beck, 2017-11-29 Originally designed as a cargo and paratroop transport during World War II, the Fairchild C-82 Packet is today mainly remembered for its starring role in the Hollywood film *The Flight of the Phoenix* (1965). Its ungainly appearance earned it the nickname the flying boxcar but the aircraft was the first to achieve practical end-loading and aerial delivery of cargoes. Its outsized capacity served the U.S. military's needs for more than ten years--civilian operators flew it in remote locations like Alaska and South America for a further three decades. This book provides a comprehensive history of the C-82, detailing each of the 224 aircraft built, with technical diagrams, multiple appendices and more than 200 photos.

The Falklands War Gordon Ramsey,2009-03-30 In 1982, Argentina rashly gambled that a full-scale invasion of the Falkland Islands — ownership of which had been disputed with Great Britain for over a century — would put an end to years of political wrangling. However Britain's response was to immediately dispatch a task force to recover the islands, by force if necessary. The 'conflict' which followed (a formal declaration of war was never given) lasted ten weeks from Argentine

invasion to British liberation, the white heat of battle using 20th century technology contrasting with bitter hand-to-hand bayonet fighting in inhospitable conditions. Eyewitness accounts by the participants of both sides, and islanders, leave us in no doubt as to the ferocity of the combat on land, sea, and in the air. Comparison photography in color of all the battlefields, the crash sites of the aircraft shot down, the relics and the remains, together with portraits of those who lost their lives and the battlefield memorials, serve as a graphic testimony to their endeavors, 25 years after the battle. A Roll of Honour lists the casualties of both sides and, for the first time, the graves of all the British fallen — both on the islands and in the United Kingdom — have been visited and photographed as a lasting record of all those who made the supreme sacrifice.
