

Sufism The Transformation Of The Heart

H.J. Witteveen

Sufism Llewellyn Vaughan-Lee,1995-06-01 This is a clear and accessible approach to the spiritual tradition of Sufism, a mystical path which uses the energy of love for inner transformation. Vaughan-Lee gives an outline of Sufism--its basic principles, historical background, and recent development in the West, and offers practical guidelines to help the seeker.

Living Presence (Revised) Kabir Edmund Helminski,2017-05-30 A revised 25th anniversary edition of the classic work on Sufism that Jack Kornfield called, A heartfelt modern illumination of the Sufi path, filled with the fragrance of the ancients. In Sufism, the mystical branch of Islam, presence is the quality that describes a heart-filled state of mindfulness, an experience of being conscious in the present moment. It is only in this present moment, Sufi teachings reveal, that we can connect with the Divine, and the Divine can live through us. Kabir Helminski is one of the world's most recognized teachers of Sufism. Named one of the 500 Most Influential Muslims in the world by Georgetown University and the Royal Strategic Studies Center, Helminski and his teachings are touchstones for the growth in interest in Sufism, and his books have been translated around the world. In *Living Presence*, Helminski lays out the basic principles of Sufism, and how these ideas can lead to the experience of presence. In this inspiring work, readers will learn how to cultivate presence in their lives through: * Finding a balance between the outer stimuli of the world and our inner reactions to them * Harnessing faithfulness and gracefulness * Learning about the parallels between ancient spiritual wisdom and modern psychological knowledge * Meditation and contemplation to discover more meaning in daily life With unique clarity, this book describes how presence can be developed to vastly improve our lives. Drawing on the work of the beloved Sufi poet, Rumi, as well as traditional material and personal experience, this book integrates the ancient wisdom of Sufism with the needs of contemporary life. Completely revised and updated for its 25th anniversary, this edition of *Living Presence* offers a wisdom that is both universal and practical.

Key Concepts in the Practice of Sufism Fethullah Gülen,2007-04 This comprehensive study explores sufism as a form of self-purification, offering a deeper understanding of the sacred acts and a greater knowledge and love of the divine. The first volume of the series presents such sufi concepts as repentance, reflection, self-criticism, asceticism, piety, abstinence, self-supervision, and sincerity.

In the House of Remembering Kabir Helminski,2023-06-22 Transcriptions of talks from within a private circle of spiritual practitioners, exploring subjects such as developing intention, will, awareness, awakening our capacities for love, and

reducing the domination of ego.

The Knowing Heart Kabir Helminski, 2000-10-24 An engaging study of Sufi teachings that presents the Sufi way as a universal means of gaining a greater understanding of ourselves, others, and the world. In Sufi teaching the human heart is not a fanciful metaphor but an objective organ of intuition and perception. It perceives all that is beautiful, lovely, and meaningful in life—and reflects these spiritual qualities in the world, for the benefit of others. Every human heart has the capacity and the destiny to bring that world of divine reality into this world of appearances. The Sufis, mystics of Islam, have been educators of the heart for some fourteen centuries. Their teachings and methods are designed to help us awaken and purify the heart, to learn to listen to our deepest knowing. In *The Knowing Heart*, Kabir Helminski presents the Sufi way as a practical spirituality suitable for all cultures and times—and offers insights that are especially valuable for our life in today's world. In cultivating a knowing heart, we learn to experience a new sense of self, transform our relationships, and enhance our creative capacities. Most important, we learn how to meet the spiritual challenge of our time: to realize our sacred humanness.

The Paradoxes of Love Llewellyn Vaughan-Lee, 1996-05-01 The work of The Golden Sufi Center is to make available the teachings of the Sufi path. The heart's relationship to God is one of the greatest mysteries, for He is both far and near, both awesome and intimate. As he looks at this union's many paradoxes,

The Heart of Sufism H.J. Witteveen, 1999-03-02 The Indian Sufi master Hazrat Inayat Khan (1882-1927) was the very first teacher to bring Sufism to the Western world. This is the first representative collection of the master's teachings – making it the perfect book for anyone who has been intrigued by his writings but unsure about where to start in his sixteen-volume collected works. Newcomers will be inspired by just how delightful and useful Inayat Khan's teachings are for everyone, regardless of religious background. Long-time students will find the book a valuable reference to the essence of his teachings on a variety of subjects. Each chapter includes a wealth of material taken from Inayat Khan's work on a particular subject, such as Mysticism, Discipleship, Music, Children, or Divine Intimacy, followed by a selection of his short sayings and aphorisms on the same topic.

Working with Oneness Llewellyn Vaughan-Lee, 2002-05-02 Humanity has been given access to the secrets of oneness, but we need to learn how to work with them. Working with Oneness brings mysticism into the center of the marketplace, into the world of business and technology, and shows how we can work with it in everyday life. The dynamic energy of oneness has the potential to heal the planet and revolutionize life more than we can imagine, but it requires our individual participation and awareness to become fully alive. The energy of oneness is already present but waiting to be lived, and Llewellyn Vaughan-Lee provides a blueprint for working consciously with this energy. As we understand how our consciousness affects the whole fabric of life, the potential for real global change comes alive. Llewellyn Vaughan-Lee stresses the need to change

from hierarchical, patriarchal power structures to organic patterns that allow for the free flow of energy and ideas. Through these patterns the dynamic energy of oneness can become part of everyday life. Working with Oneness includes a number of additional important topics, including: the changing energy structure of the planet and how to work with it; the power of individual consciousness; the danger of the desire for spiritual security; the return of joy to everyday life; the awakening of the heart of the world; a new understanding of magic; the use of the imagination; and mystical participation in life with the energy of oneness. Working with Oneness offers guidance on how to work with the energy of oneness, to learn how to participate in life free of the patterns of the past, so that the divine can come alive in every moment of every day. Working with Oneness is mystical activism at its most potent. "There is a growing and eager audience waiting for a vision of unity consciousness... Working with Oneness offers a salutary antidote to worn-out antagonisms. It challenges readers to join other kindred souls in a mystical activism that can bring new hope to humanity." —Spirituality & Health "A book filled with wonder and the kind of insights that can leap out to your heart and gladden you for having read them. Its words are simple and straightforward—always a blessing—but its message is the most vital and important for the time in which we live. I recommend it." —David Spangler, author, Blessings: the Art and the Practice

Heart, Self and Soul Robert Frager, 2005-12 Heart, Self, and Soul is the first book by a Western psychologist to explore the rich spiritual tradition of Sufism as a path for personal growth. Western psychotherapy aims largely to help us eliminate neurotic traits formed in childhood and adapt to society. In contrast, the Sufi goal is ultimately spiritual: Yes, we need to transform our negativity and be effective in the world; but beyond that, we need to reach a state of harmony with the Divine. Full of stories, poetry, meditations, journaling exercises, and colorful everyday examples, this book will open the heart, nourish the self, and quicken the soul.

Prayer of the Heart in Christian and Sufi Mysticism Llewellyn Vaughan-Lee, 2012-05-01 ... parallels the prayer practices of Sufi and Christian mysticism with ease.... Vaughan-Lee's prayerful prose is poetic, inclusive, and intelligent. —Publishers Weekly Prayer of the Heart in Christian & Sufi Mysticism guides the reader through the stages of mystical prayer. Mystical prayer is a way to create a living relationship with the Divine within the heart. Drawing on Christian and Sufi sources such as St. Teresa of Avila, Attar, St. John of the Cross, and Rumi, as well as from his own experience, Llewellyn Vaughan-Lee describes how prayer is first born of need, but then takes one deep within the heart, into the stages of Union and Ecstasy. Through mystical prayer, one is drawn beyond any words into the interior silence of real communion with God. Here, in the silence within the heart, a meeting and merging takes place that carries us beyond our self into the mystery of divine presence, into the secret nature of love's oneness. Prayer of the Heart in Christian and Sufi Mysticism explores the inner listening of the heart, and the secret of 'pray without ceasing' in which we discover how prayer becomes alive within the heart. Finally there is a chapter on the need at this time to pray for the Earth. How can we pray for the well-being of the

Earth? How can we include the Earth in our prayers and our heart? This little book is an offering of the heart that brings together the Christian and Sufi mystical traditions in the oneness of love to which they belong. It will benefit any practitioner of prayer, anyone who is drawn to discover a relationship with God within their heart. "... with the understated simplicity of a true spiritual master, Llewellyn Vaughan-Lee seamlessly weaves these complementary traditions into a single tapestry of singular power and beauty... this book offers yet another profound contribution to the collective evolution of our hearts." —Rev. Cynthia Bourgeault, from the Foreword ... draws together the Christian and Sufi traditions of mystical prayer ... Vaughan-Lee's clearly written little guide will be gratifying and absorbing for those interested in mysticism and alternate routes toward the love of God. —Library Journal "... an excellent book ... As we recover more and more of the ancient contemplative traditions, we are finding immense similarities in goal, practice, and effects. At the mystical level, we are seemingly talking about the same experience, despite our different vocabularies and styles! Llewellyn Vaughan-Lee makes this sacred journey both clear and inviting." —Fr. Richard Rohr, Franciscan Priest, author, and founder Center for Action and Contemplation

Spiritual Power Llewellyn Vaughan-Lee, 2019-01-01 How can we use spiritual power to heal and transform the world? In this new, fully revised edition, Llewellyn Vaughan-Lee shows how spiritual activism addresses our current global crisis in a visionary and revolutionary way. He reintroduces us to the ancient wisdom of the power of the land, as well as the ways we can use our light and love to create real change. *Spiritual Power: How It Works* explores how spiritual practice and spiritual energy have a central part to play as a catalyst in the vitally needed shift from the story of separation—that lies at the root of our present ecocide—to a new story of the Earth's multihued unity. This is practical mysticism on a global level, the simple wisdom that can reconnect us to the magic of life and awaken us to its essential oneness. "If you want to learn how to be in service to the planet, *Spiritual Power* is an invaluable book. Vaughan-Lee shows us how we can direct our energy and light to create change. He shares his deep and profound insights about the true definition of power in a way that creates questions and answers as we move to the next evolution of consciousness. A brilliant and much needed book!" —Sandra Ingerman, author, *Soul Retrieval and Medicine for the Earth* "A poetic and energetic vision of a new way to experience life—the power of the future made present today. It is a joy and relief to read a book about spirituality written from the viewpoint of unity, presence, and love. This is an important book, one that looks toward the integration of the wisdoms of the earth and sky cultivated over the past 15,000 years. Vaughan-Lee suggests that in order to liberate the love, life, and laughter that are already ours, we need to break down any artificial, conceptual, religious, or materialist barriers that prevent us from experiencing them." —Neil Douglas-Klotz, Ph.D., author, *The Genesis Meditations: A Shared Practice of Peace for Christians, Jews, and Muslims* "... a visionary book and a daring one! Llewellyn Vaughan-Lee is a rare and hidden mystic of our time, a true seer who helps us to see that which our ordinary perception cannot perceive.... (a) courageous vision of the gravity of

the modern predicament as well as the profound possibility for healing on a large scale.... conveys the importance of each individuals contribution to this healing, and passionately urges us to take responsibility for our own hidden knowledge and our necessary role in healing the planet ... a revolutionary book for the bravest of hearts and the most open of minds.”

—Mariana Caplan, Ph.D., author, *Halfway Up the Mountain: the Error of Premature Claims to Enlightenment*

Spiritual Ecology Llewellyn Vaughan-Lee, Hilary Hart, 2017-05-01 *Spiritual Ecology: 10 Practices to Reawaken the Sacred in Everyday Life* offers inspiring and practical guidance for reconnecting to the sacred in every day life and transforming our relationship with the Earth. Describing the power of simple, daily practices such as Walking, Gardening, Cooking with Love, and Prayer, this small book supports profound changes in how we think about and respond to the ecological crisis of our times. Our groundbreaking book, *Spiritual Ecology: The Cry of the Earth*, (now in its second edition)—which included spiritual perspectives on climate change, species loss, deforestation, and other aspects of our present environmental crises from renowned spiritual teachers, scientists, and indigenous leaders—drew an overwhelmingly positive reaction from readers, many of whom are asking: What can I do? *Spiritual Ecology: 10 Practices to Reawaken the Sacred in Everyday Life* answers that question with inspiring, personal anecdotes from the author—Sufi teacher Llewellyn Vaughan-Lee—and simple practices we all can do. Rooted in the mystical foundation of the world's great spiritual traditions, with a particular connection to Sufism, these timeless practices remind readers of our deep connections to life, each other, and the Earth, and invite a return of meaning to our desecrated world. As Rumi says, there are a thousand ways to kneel and kiss the ground, and it is this sacred ground that is calling to us, that needs our living presence, our attentiveness. This small book offers simple ways to reconnect so that we can once again feel the music, the song of our living connection with the Earth. This small book, exquisite in its luminous simplicity, brings me home to my life. Even in a dark time, its practices center me in a sense of the sacred, our birthright. —JOANNA MACY, teacher, activist, and author of *Coming Back to Life: The Updated Guide to the Work That Reconnects* “Llewellyn Vaughan-Lee's book on practices for Spiritual Ecology in everyday life awakens us to the potential to take small steps towards big transformation. It overcomes the artificial divide between nature and humans, and spirituality and action. No matter who we are, where we live, these are steps each of us can take.” —VANDANA SHIVA, activist and author “A beautiful book. Llewellyn Vaughan-Lee and Hilary Hart do a brilliant job sharing simple and powerful practices that help readers connect to the sacredness within nature, the earth, and our own daily lives.” —SANDRA INGERMAN, author, *Walking in Light: The Everyday Empowerment of Shamanic Life*

Rumi: Whispers of the Beloved Maryam Mafi, Azima Melita Kolin, 2012-09-06 A breathtaking new collection of translations of poems by Rumi, one of the world's most loved mystical teachers. Beautifully illustrated with Persian calligraphy, this is an ideal ebook for every MBS reader.

Sufism Carl W. Ernst, 2017-04-04 The classic introduction to the philosophies, practices, and history of Sufism, the

mystical tradition of Islam The Sufis are as diverse as the countries in which they've flourished—from Morocco to India to China—and as varied as their distinctive forms of art, music, poetry, and dance. They are said to represent the mystical heart of Islam, yet the term Sufism is notoriously difficult to define, as it means different things to different people both within and outside the tradition. With that fact in mind, Carl Ernst explores the broadest range of Sufi philosophies and practices to provide one of the most complete and comprehensive introductions to Sufism available in English. He traces the history of the movement from the earliest days of Islam to the present day, along the way examining its relationship to the larger world of Islam and its encounters with both fundamentalism and secularism in the modern world.

Subjectivity in 'Attār, Persian Sufism, and European Mysticism Claudia Yaghoobi, 2017 Adopting an empirical and systematic approach, this interdisciplinary study of medieval Persian Sufi tradition and 'Attār (1145-1221) opens up a new space of comparison for reading and understanding medieval Persian and European literatures. The book invites us on an intellectual journey that reveals exciting intersections that redefine the hierarchies and terms of comparison. While the primary focus of the book is on reassessing the significance of the concept of transgression and construction of subjectivity within select works of 'Attār within Persian Sufi tradition, the author also creates a bridge between medieval and modern, literature and theory, and European and Middle Eastern cultures through reading these works alongside one another. Of significance to the author is 'Attār's treatment of enlightenment with regard to class, religious, gender, and sexuality transgressions. In this book, the relation between transgression and the limit is not viewed as one of liberation from oppressive restrictions, but of undoing the structures that produce constraining binaries; it allows for alternatives and possibilities. In conjunction with the concepts of transgression and the limit, the presence of society's marginalized pariahs, outcasts, and untouchables are central to the book's main argument about construction of subjectivity, which the author believes is framed within 'Attār's notion of mystical love and human diversity. The book addresses the question of whether concepts such as transgression, limit, and subjectivity are solely applicable to modern times, or they can shed light on our understanding of transgression and subjectivity from the past. The author's comparative inquiries aim to intensify our understanding of these notions advanced in both the medieval and the modern world. Through summoning works from various genres, disciplines, cultures, and times, the author posits that medieval literary works are living texts that can reveal as much about our present selves as they do about the past.

Journey to the Heart Osho, 1994 This book contains 10 talks in which Osho revitalizes well-known Sufi stories in an effort to push the reader on to a new journey towards the heart. He talks about the ego as a barrier to one's true self, the value of meditation, the difference between knowledge and wisdom, the connection between happiness and unhappiness, the beauty of sadness, and love as a transformative force.

The Sufi Book of Life Neil Douglas-Klotz, 2005-02-22 A dervish guide to life and love for the twenty-first century Part

meditation book, part oracle, and part collection of Sufi lore, poetry, and stories, this handbook offers a fresh interpretation of the fundamental spiritual practice found in all ancient and modern Sufi schools—the meditations on the 99 Qualities of Unity. Unlike most books on Sufism, which are primarily collections of translated Sufi texts, *The Sufi Book of Life* explains how to apply Sufi principles to modern life. Author Neil Douglas-Klotz expertly bridges the gap between the Sufi qualities and contemporary concerns such as love, work, and success, and punctuates this all with timeless wisdom from Sufi masters, both ancient and modern, such as Rumi, Hafiz, Shabistari, Rabia, Inayat Khan, Indries Shah, Irina Tweedie, Bawa Muhaiyadden, and more. On the web: <http://sufibookoflife.com>

Holistic Islam Kabir Helminski, 2017 Islam once gave birth to a great civilization that respected religious diversity, freedom of conscience, and scientific thought, and Islamic knowledge contributed to the birth of humanism in the Renaissance. Today's world is desperately in need of a spirituality that is free of dogma, based in experiences not beliefs, one that can reconcile the human and spiritual realms. In his new book, renowned spiritual teacher and Sufi sheikh Kabir Helminski, gives us a compelling interpretation of spiritual or holistic Islam that will hearten contemporary Muslims looking for a faith suited for our times, and providing non-Muslims a brilliant introduction to this rich spiritual tradition. Helminski's holistic Islam is an emerging force in the world. It is reflected in the rise of the popularity of the writings of Jalal ad-Din Rumi who is loved by followers of all faiths and none. Helminski shows how it is the great Sufi teachers of the Islamic tradition who show the way to this universal wisdom. Holistic Islam is an expression of the primordial religion of humanity that recognizes a journey through levels of consciousness leading to the transformation of self and the mature human being. While all religions have a tendency to decline into sectarianism, legalism, fundamentalism, and superstition, humanity is never without the presence of realized human beings who have shared the knowledge and practice of communion with Ultimate Reality. Holistic Islam is a spiritual antidote to extremism and fundamentalism, established on a clear Quranic basis. Holistic Islam uses Quranic arguments to establish a spiritually progressive Islam.

That which Transpires Behind that which Appears Pir Vilayat Inayat Khan, 1994 Text is composed of edited transcripts of Pir Vilayat's teaching during a retreat weekend, March 1993.

The Chasm of Fire Irina Tweedie, 1979

Whispering the Strategies of Language: An Psychological Quest through **Sufism The Transformation Of The Heart**

Sufism The Transformation Of The Heart Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and

reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sufism The Transformation Of The Heart free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free

account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sufism The Transformation Of The Heart free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download

PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sufism The Transformation Of The Heart free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Sufism The Transformation Of The Heart. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide

access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sufism The Transformation Of The Heart any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sufism The Transformation Of The Heart Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer,

tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sufism The Transformation Of The Heart is one of the best book in our library for free trial. We provide copy of Sufism The Transformation Of The Heart in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sufism The Transformation Of The Heart. Where to download Sufism The Transformation Of The Heart online for free? Are you looking for Sufism The Transformation Of The Heart PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However

without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sufism The Transformation Of The Heart. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sufism The Transformation Of The Heart are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sufism The Transformation Of The Heart. So

depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sufism The Transformation Of The Heart To get started finding Sufism The Transformation Of The Heart, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sufism The Transformation Of The Heart So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sufism The Transformation Of The Heart. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sufism The Transformation Of The Heart, but end

up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sufism The Transformation Of The Heart is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sufism The Transformation Of The Heart is universally compatible with any devices to read.
